REBUILDING TOGETHER HOUSTON
VOLUNTEER HOME REPAIR PROGRAM

Volunteer Release Agreement

Thank you for volunteering to work with others on the Volunteer Home Repair Program. The project is sponsored by Rebuilding Together Houston in participation with crew sponsoring churches, companies and community organizations. You will be part of a volunteer work crew which will complete needed exterior home repairs for low income, predominantly elderly homeowners in Houston neighborhoods.

As you know, any home repair work will entail certain risks, including, but not limited to exposure to potentially dangerous conditions involving electrical equipment, lead-based paint, asbestos, and use of ladders, etc. **Rebuilding Together Houston urges you to take all necessary precautions in your work to offset risks to your health and well being. Do not breathe lead paint dust, allow lead paint chips to contaminate the soil, saw-cut asbestos siding, etc.**

The undersigned persons hereby assume all risks and release Rebuilding Together Houston or any other organization or individual involved in this program from any responsibility, obligation, or liability for any loss, damage, or injury to any person or property that arises in connection with participation in this program.

I further consent to the unrestricted use by Rebuilding Together and/or any person authorized by them of any photographs, recordings, interview, videotapes, motion pictures or similar visual or auditory recording of me created in connection with the Project.
